ISO 20121 Certification – Ensuring Event Sustainability Excellence

ISO 20121 is an internationally recognized standard focused on Event Sustainability Management Systems. This standard provides a structured framework for organizations to plan, implement, and improve their event-related sustainability practices.

At MSECB, we understand the importance of sustainable event management in today's world. Events can have a significant environmental and social impact, and organizations need to prioritize sustainability to align with global expectations and reduce their ecological footprint.

MSECB is accredited against ISO/IEC 17021 to offer ISO 20121 certification, helping your organization organize events that are not only successful but also environmentally and socially responsible.

By obtaining ISO 20121 certification, your organization can demonstrate its dedication to conducting events that align with sustainable practices, setting you apart as a responsible and forward-thinking event organizer.

ISO 20121 can be integrated with:

ISO 9001

ISO 14001

ISO 22000

ISO 45001

Benefits of Getting Certified with ISO 20121:

- ✓ ISO 20121 certification sets organizations apart as leaders in sustainable event management. The enhanced reputation attracts clients who prioritize sustainability. As a result, this increases the organization's standing within the event industry.
- ✓ Clients and stakeholders value ISO 20121 certification as evidence of an organization's commitment to sustainable practices. This trust fosters stronger relationships and long-term partnerships. Furthermore, it opens doors to new markets and projects.
- ✓ By adhering to this standard, organizations improve resource efficiency by conserving energy, water, and materials. Moreover, it promotes waste reduction and recycling during planning and execution of events, which enhances an organization's financial performance.
- ✓ Employees take pride in working for an organization focused on sustainability and social responsibility. It fosters a positive work culture and boosts employee motivation and engagement.
- ✓ ISO 20121 certification encourages ethical and socially responsible behavior throughout the event supply chain. This includes considerations for human rights, labor practices, and inclusivity in event planning and execution.
