Records Management Systems Certification

ISO 30301 Certification – Achieve Superior Records Management

ISO 30301 is a globally recognized standard for Information and Documentation - Management Systems for Records (MSR). This standard provides a systematic approach for organizations to establish, implement, maintain, and continually improve their records management practices, ensuring effective information governance.

At MSECBC, we understand the critical role of efficient records management in today's data-driven world. Organizations generate and handle vast amounts of information that require structured management to ensure accessibility, accuracy, and security.

With MSECBC as your certification body, your organization will have a smooth and efficient certification journey. ISO 30301 certification, your organization's dedication to ensuring the integrity and authenticity of records throughout their lifecycle.

ISO 30301 certification indicates that your organization adheres to international best practices in information governance and records management.

ISO 30301 can be integrated with:

ISO 9001

ISO/IEC 27001

ISO 22301

ISO 37301

Benefits of Getting Certified with ISO 30301:

- ✓ ISO 30301 certification provides a structured approach to managing records and information for organizations. It reduces the risk of data breaches and legal liabilities by ensuring compliance with relevant regulations.
