ISO/IEC 42001

Artificial Intelligence Management Systems Certification

ISO/IEC 42001 Certification – Pioneering Responsible Artificial Intelligence Management

ISO/IEC 42001 is the pioneering international standard, outlining the requirements for establishing, implementing, maintaining, and continually improving an Artificial Intelligence Management System (AIMS).

At MSECB, we recognize the pivotal role of AI in today's rapidly evolving technological landscape. ISO/IEC 42001 certification empowers organizations to manage risks and opportunities associated with AI, balancing innovation with governance.

With MSECB as your certification body, your organization will have a smooth and efficient certification journey. ISO/IEC 42001 certification helps your organization navigate the unique challenges presented by AI, including ethical considerations, transparency, and continuous learning.

Our ISO/IEC 42001 certification signifies your organization's commitment to the responsible development and use of AI systems.

ISO/IEC 42001 can be integrated with:

ISO/IEC 27001	ISO/IEC 27701	ISO/IEC 20000-1	ISO 9001

Benefits of Getting Certified with ISO/IEC 42001

✓ ISO/IEC 42001 provides a framework that signifies your organization's dedication to ethical and responsible use of artificial intelligence.

✓ ISO/IEC 42001 certification indicates establishing policies, objectives, and processes that enhance trust in AI systems, increasing customer trust and global reputation.

✓ One of the key benefits includes managing AI-specific risks effectively and identifying opportunities to encourage innovation within a structured framework.

✓ Through the ISO/IEC 42001 certification process, organizations establish a framework complying with legal and regulatory standards, gaining a distinct competitive advantage, especially in sectors subject to rigorous regulatory scrutiny.

✓ ISO/IEC 42001 certification increases traceability, transparency, and reliability in AI systems, enhancing cost savings and efficiency gains.

Why You Should Trust Us with ISO/IEC 42001 Certification

We understand the importance of making a well-informed decision. Therefore, we are committed to providing our clients with the best service possible. When selecting a certification body, here is why we have partnered with MSECB:

Dedication to Continuous Excellence:

We place an unwavering emphasis on quality and continuous improvement. Our commitment to maintaining the highest standards and enhancing our services to remain at the forefront of the industry ensures that our clients receive top-notch audit and certification services.

Prompt and Reliable Services:

We understand the importance of a timely certification, and with our efficient and streamlined certification services, we minimize the certification turnaround time without compromising quality.

Outstanding Customer Support:

We take a customer-centric approach and are committed to our customer's success and satisfaction. We deliver first-rate certification services with accountability, reliability, and exceptional support, guiding you throughout the process from start to finish and promptly addressing any queries or concerns.
High Expertise with Competitive Pricing:

We deliver services with competent, knowledgeable, and experienced auditors while offering competitive pricing and ensuring value for your investment in ISO/IEC 42001 certification.

What Clients Say About MSECB

"MSECB audits were not only conducted to verify our compliance with normative requirements but were also carried out in a way that makes us evolve towards higher and higher levels." **– AlterDomus**

"We highly encourage other organizations to taste the feeling of premium services that MSECB offers." **– UTI Grup**
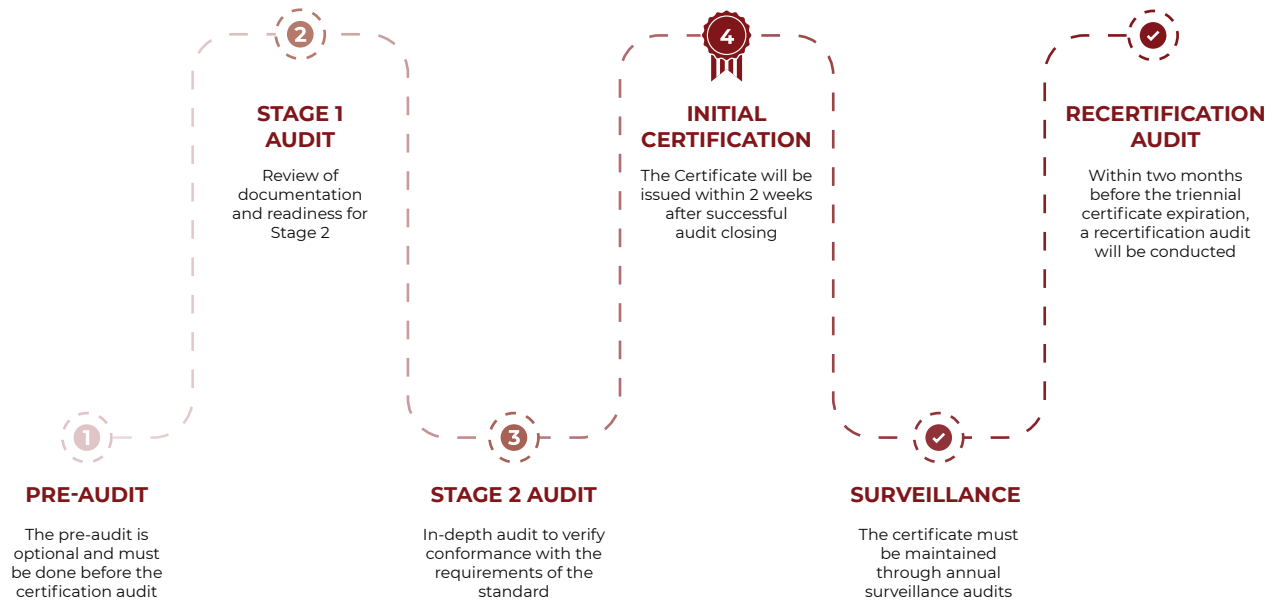

"We chose MSECB as they are a leading brand, and they provide excellent customer service which always meets the customers' timelines and needs." **– BIOS Middle East**

MSECB Certification Process

As a trusted certification body, we can help your organization obtain ISO/IEC 42001 certification!

Upon verification that your organization is in conformity with the requirements of the ISO/IEC 42001 standard, we will issue an accredited certificate. This certification is then maintained through regularly scheduled annual surveillance audits, with the recertification audit being conducted on a triennial basis.

STAGE 1 AUDIT

Review of documentation and readiness for Stage 2

INITIAL CERTIFICATION

The Certificate will be issued within 2 weeks after successful audit closing

RECERTIFICATION AUDIT

Within two months before the triennial certificate expiration, a recertification audit will be conducted

PRE-AUDIT

The pre-audit is optional and must be done before the certification audit

STAGE 2 AUDIT

In-depth audit to verify conformance with the requirements of the standard

SURVEILLANCE

The certificate must be maintained through annual surveillance audits

Choose MSECB as your trusted certification body for ISO/IEC 42001 and unlock the benefits of a systematic approach to responsible AI management. We are dedicated to assisting you in addressing the challenges of AI, ensuring ethical, transparent, and efficient AI systems.
